

QUALITY POLICY

PURPOSE

Enerlink is committed to the delivery of “on-time”, cost effective and high-quality products and services that satisfy the diverse requirements of our customers whilst maintaining the practice of “Injury Free” to our people and the environment.

OUR AIM

- ⑤ Establish a clear commitment to quality throughout our operational activities.
- ⑤ Establish an effective system within the Company which effectively collates all business systems and operational processes into an efficient, robust, streamlined and user-friendly system which ensures our customer’s needs are met.
- ⑤ Ensure this system is well communicated within the company, monitored on a regular basis, and reviewed to ensure continued suitability.
- ⑤ Focus on the continuous delivery of research, education and improvement to the Business Management System (BMS).
- ⑤ Commit to, and promote the standards required to achieve AS/NZS ISO 9001:2008 and

COMMITMENT TO OUR CLIENTS

This policy is endorsed by the Enerlink Directors and applies to all Enerlink personnel, sub-contractors, and visitors affiliated with Enerlink, across all projects and operations at all times. Managers and supervisors have a duty of care to monitor the work environment, prevent exposure of the workforce to hazards or harm and promote this policy.
